

## Don't miss it

Distribution Update

Dear EXOR International,

in a few days will open the SPS/IPC/DRIVES. The leading exhibition for electric automation technology. It covers all components down to complete systems and integrated automation solutions.

Find out what new products and solutions your partner Exor will present this year. You can find us in hall [\\*7-530](#) as Co-Exhibitor of 3S CoDeSys Alliance Member and in hall [\\*7A-150](#) as Co-Exhibitor of Microsoft Windows Embedded. Of course Exor products can be found at the exhibition as well on the booth of well known automation brands like HITACHI or FESTO.

---

## Get Together 2010

Just in case you did not had the chance to read the invitation sent out in October.

This year Exor Germany will not exhibit. with its own booth at the SPS/IPC/DRIVES show in Nuremberg. We still would like to meet and host you in occasion of your visit to the exhibition. The location we have chosen is the Hotel Petzengarten, which is only far a few minutes by car from the fairgrounds. The meeting will start a 3pm and will be continued with a dinner at the same place.

### Agenda

- Sitek and EXOR updates
- JMobile update. Feedback after the release. Roadmap.
- Review of HMI Series 300, 400 and 500
- Future market of "Smart Grids"
- Q&A and open discussion

Click on the link below to register or RSVP.

**Please send us your confirmation not later than WK 45 (12th of November)**

## JMobile technical trainings for worldwide distribution .

This autumn has taken place the JMobile V1.00 technical trainings in Verona to enable our distribution partners support the product worldwide.

In very intensive practical exercises and theoretic background explanation our partners could test and learn JMobile functionality. We showed the difference to our world wide well know legacy Designer software package and advantages of the new with JMobile introduced technology and features.

## North American Distributor Conference 2010

### "2010 AND BEYOND"

On October 28th and 29th, 2010 the EXOR Electronics team held the 2010 North American Distributor Conference in Cincinnati, Ohio. The event was labeled "2010 AND BEYOND" and was designed to inform our North American Distributors on the products and strategies that, introduced in 2010, defines who EXOR is and where we are going in the future.
